

ASME-ATI-UIT 2010 CONFERENCE
Thermal and Environmental Issues in Energy Systems

POSTERS PRESENTATION INFORMATION

MEETING VENUE

Hilton Sorrento Palace

Via San Antonio, 13

Sorrento (Naples) Italy

Should you need any help please call +39 06 7028181 during office hours (from 9am to 6 pm Mon-Fri) or mobile +39 335 6959486 (Full Day, Organizing Secretariat)

Posters will be displayed during the conference dates in different sessions, according to the Conference Program reported in the web site.

General notes

Please make sure that your poster complies with the following ISO standards: Size: A0 (841mm x 1189 mm), portrait.

Posters should be easily readable at a distance of about 2 meters.

General instructions

Fixing material will be available on site (UHU Patafix glue pads or double sided adhesive band).

Please collect your name badge from the registration area and make your way to the poster display area, where you will find numbered boards.

Your poster should be put up beforehand your presentation session and must be taken down at the end of your session, to enable your colleagues to do the same. Please take all your papers/package/equipment with you. Any posters left after the session will be discarded.

Thank you.

Special requests or questions Should you have questions please write to r.menghi@fullday.com no later than May 3.
