Call for Nominations- The Nukiyama Memorial Award 2020

Dear Colleagues,

The Heat Transfer Society of Japan solicits nomination for the Nukiyama Memorial Award 2020. The Nukiyama Memorial Award shall be bestowed to a scientist, preferably under 50 years of age, for outstanding scientific and engineering contributions and eminent achievements in the field of Thermal Science and Engineering.

The deadline for accepting nominations for the Award is December 31st, 2019. The Award will be bestowed at the Second Asian Conference on Thermal Science 2020 (ACTS) during November 15-19th, 2020 in Miyazaki, Japan, where the recipient of the Award will present an Award Lecture.

Nominators can obtain further information, and download the nomination form from a webpage at
